Fleet 6 dues are \$65 (Active only)
National dues are \$35 (Active); \$25 (Associate)

Notes:

- (1) If you have paid the National dues separately, do not include them here.
- (2) Owners are Active or Associate Members of the J/105 class, but there shall be only one Active Member per boat (see class rule 3.3).
- (3) If you are an owner, but not an Active Member, list your name in the partner category above. If you want to drive, you need to be an Associate Member.
- (4) If you are not an owner, but wish to support the class or drive the boat, list your name in the individual category above. You will be an Associate Member. As stated in class rule 3.4., any person who is not an Owner who wants to drive has to be an ISAF group 1 and either (a) a member of an Owner's immediate family or (b) a long term shipmate and friend of an Owner. The term "long term shipmate" of an Owner means an individual who (i) during the immediately preceding 12 months, sailed with the Owner on at least 6 race days (whether or not on a J/105), and (ii) during the immediately preceding 24 months, sailed with the Owner on at least 18 race days and in 50% of all sailboat races in which the Owner competed (other than races sailed in dinghies).

Please submit proper amount, made out to *J105 Fleet 6*, with complete information above to:
