-----

Gentlemen,

In my volunteer role as coordinator of the Ida Lewis Yacht junior big boat program, I've been recently working with local sailing leaders and the Storm Trysail Club to bring a Safety-at-Sea clinic for Juniors onto Narragansett Bay. I'm pleased to say that a date for the clinic (Wed. June 28th) has been set and a flyer (see attached) is in circulation through area clubs.

I raised my hand to help find boats, and as a result, the committee enthusiastically endorsed using J/105s and J/109s exclusively for the event. The idea is not only to promote safety but to excite juniors about keelboat sailing, something the J/105 and J/109 can do quite well. Several prominent sailors will be participating as guest coaches. Each boat would have at least two adults onboard (including the owner or their representative).

I am writing to get your help in spreading the word to the area fleet members and encouraging owner participation. We are still working out the fine-points, but are hoping to at least pencil in the boats in the next few weeks.

Many thanks,  
Jeff
